

# HPL FOR DOORS

UK & IRELAND COLLECTION  
2022-2024

## INTEGRATED PROTECTION

Actively contributing to health protection by reducing the risk of infection to people. Our standard HPL products eliminate 99.9% of all surface bacteria within 24 hours.

MADE IN GERMANY

# HPL FOR DOORS

## UK & IRELAND COLLECTION 2022–2024

Unlock new perspectives – with a cleverly designed range of matching doors.

Doors are an element of all interior planning. Pfleiderer's door range ensures they meet all functional and aesthetic requirements: uncompromisingly good quality and processing optimised materials that can be realised in the same finish.

This collection offers 40 selected finish and texture combinations in HPL quality to EN 438 standard, available at short notice from stock in format 2,150 x 950 x 0.8 mm. This HPL collection gives each door a unique character. The best thing is: the colours and finishes match the high-quality interior panels from Pfleiderer's extensive wood-based panel product range to guarantee optimum design scope.
