INTEGRATED PROTECTION

Actively contributing to health protection by reducing the risk of infection to people. Our standard HPL products eliminate 99.9 % of all surface bacteria within 24 hours.

Collaborating with the leading washroom fabricators and industry experts the Washroom Collection 2024–2028 has been designed and crafted specifically for the UK & Ireland.

40 innovative designs available in 3 different core substrates that have been engineered for specific applications.

24-hour service

Samples available to order around the clock:
Tel: +44 (0) 1625 660 411

Fax: +44 (0) 1625 617 301

www.pfleiderer.com

Any personal details are only taken for the requirement of sending out samples and are not retained on file.
